2. The number of candidates to be selected at this examination will be announced later.

3. A candidate in British India or in Burma is required to submit his application through the Collector or Deputy Commissioner of the district in which he ordinarily resides to the authority mentioned in Rule (3). Copies of the application form may be obtained from the authority mentioned in Rule 3.

4. Any person who has appeared at an examination the passing of which will render him eligible to appear at the Indian Civil Service Examination, but has not been informed of the result, may apply for admission to the latter examination. A candidate who intends to appear at such a qualifying examination, may also apply, provided the qualifying examination is to be concluded before the commencement of the Indian Civil Service Examination. His application will be accepted provisionally if he is eligible in all other respects and he will be required to furnish before the 10th August, 1940, to the Chief Secretary to the Provincial Government, or thereafter to the Federal Public Service Commission, but not later than the date on which the results are ready for communication to the Government of India, proof of having passed such qualifying examination.

Rules for Competitive Examinations for the Indian Civil Service to be held in India.

The following Rules made by the Secretary of State for India, are liable to alteration from year to year :

(1) A competitive examination for admission to the Indian Civil Service shall be held in India at such time and place as the Governor General in Council may direct.

(2) The maximum number of candidates to be admitted to the examination may in the discretion of the Governor General in Council be limited to such number not being less than 200 as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit the Federal Public Service Commission shall select from among the applicants those who shall be

* In the case of Calcutta, the Commissioner of Police.

admitted to the examination and shall have regard in so doing to the suitability of the applicants for Indian Civil Service and to the adequate representation of the various provinces of India.

(3) (*i*) A candidate shall apply to be admitted to the examination before such date and in such manner and in such form as the Governor General in Council may prescribe. The application shall be made to the proper authority of the area in which his parents reside at the time of the application or of an area in which they have previously resided, for a period of not less than three years or in which he has himself resided, otherwise than as a student at a university only, for a like period.

(*ii*) The proper authority shall be, for a Governor's province or in Burma the Chief Secretary, for Coorg, Delhi, Ajmer-Merwara, Andaman and Nicobar Islands, British Baluchistan and Panth Piploda, the Chief Commissioner and for a State in India the Political Officer or Agent who shall be addressed through the Durbar.

(*iii*) No candidate shall make more than one application in respect of any one examination.

(4) A candidate must be a male and either—

(*a*) a British subject of Indian domicile whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service ; or

(*b*) a subject of an Indian State, or a native of a tribal area or territory adjacent to India, in respect of whom a declaration has been made under Section 262 (3) of the Government of India Act, 1935 :

Provided that in the case of a male British subject the requirements of this rule may be waived by the Secretary of State if he is satisfied that their observance would occasion exceptional hardship and the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

(5) A candidate must have attained the age of 21 and must not have attained the age of 24 on the first day of January in the year in which the examination is held.

(6) A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a member of the Indian Civil Service. A candidate who is found after examination by a Medical Board not to satisfy these requirements will not be selected for probation.

(7) A candidate must satisfy the Federal Public Service Commission that his character is such as to qualify him for employment in the Indian Civil Service :

Provided that, if a candidate's application to take a previous examination for admission to the service has been rejected by the Civil Service Commissioners on the ground that his employment in the service would be detrimental to the public interest, the Federal Public Service Commission shall not admit that candidate to a subsequent examination, unless since his rejection, new facts favourable to him have been brought to light and are, in the opinion of the Federal Public Service Commission, sufficient to justify his admission.

(8) The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

(9) *A candidate must hold a degree of a university approved by the Governor General in Council, or the senior diploma of the Mayo College, Ajmer. The degree held by a candidate must be a degree in arts, science, or letters and a degree held in a professional or vocational subject shall not qualify him for admission to the examination. Any question whether a degree held by the candidate is of a nature qualifying him for admission to the examination shall be decided by the Federal Public Service Commission, whose decision shall be final.

In exceptional cases the Federal Public Service Commission may, on the recommendation of the Provincial Government, treat as a qualified candidate a candidate who though not possessing any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which, in the opinion of the Federal Public Service Commission, justifies his admission to the examination.

(10) No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

(11) No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means may disqualify him for admission.

(12) Candidates must pay the following fees :—

He should also explain how his age was wrongly recorded and must state whether he has made any attempts to have the date corrected and the results of such attempts. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given.

NOTE 2.—All original certificates will be returned when orders on the application are communicated. *The original certificates mentioned in clauses (e) (2), (e) (3), (e) (4) and (e) (5) will not, however, be returned unless they are accompanied by copies thereof.*

(*i*) Every candidate for admission to an examination conducted by the Federal Public Service Commission is informed at the earliest possible date of the result of his application. It is not possible for the Commission, however, to say when that result will be communicated, nor can they undertake to keep candidates informed of the progress of their applications.

(*j*) Candidates must make arrangements to see that communications addressed to them at the addresses stated in their application are re-directed, if necessary. Also any change of address should be communicated *at once* to the Collector or Deputy Commissioner or Political Agent, to whom the application was submitted, and to the Secretary of the Federal Public Service Commission.

(*k*) All Communications to the Commission in respect of this examination should state the name of the examination and the candidate's address as given in his application form and should be addressed to "the Secretary, Federal Public Service Commission, Delhi"; failure to observe this direction will be at the candidate's own risk.

Regulations as to the physical examination of candidates for appointments under the Government of India.

NOTE.—These Regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the Secretary of State reserves to himself an absolute discretion to reject as unfit any candidate whom he may consider, after hearing the opinion of his medical advisers, to be physically disqualified for the public service; and that his discretion is in no respect limited by these Regulations.

[Save as provided in regulation 2 (*b*) these Regulations are intended merely for the guidance of Medical Examiners and are not meant to restrict their discretion in any way.]

1. To be passed as fit for an appointment under Government in India a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment*.

2. (*a*) The following table of correlation of age, height and chest girth is to be used as a guide in the examination of candidates of European race. It is not applicable to candidates of Indian or mixed race.

(*b*) For all candidates for appointment to the Indian Police a minimum height of 5 ft. 4 ins. is required. For Indian Police candidates not of European race a minimum chest measurement of 33 ins. (girth when fully expanded, with a minimum expansion of 2 ins.) is required. These minima are absolute and no Medical Officer or Board has power to waive them.

* Selected candidates are required to be inoculated against enteric fever before they proceed to India on first appointment; but exemption from this requirement may be granted to any candidate of Asiatic domicile, unless he has been continuously resident out of Asia for five years prior to the date of his appointment.

3. The candidate's height will be measured as follows :—He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer side of the feet. He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard ; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows :—He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hand loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded in inches, 33—35, 34—36½, etc.

In recording the measurements fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. (A) The examination for determining the acuteness of vision includes two tests, one for distant, the other for near, vision. Snellen's test types will be used for the test for distant vision, without glasses at a distance of 20-feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision which will be used for guidance in the examination of a candidate are as follows :—

STANDARD I.

Right eye.	Left eye.
Distant vision—V=6/6.	V=6/6.
Near vision—Reads 0, 6.	Reads 0, 6.

Near vision—Reads 0, 6.	Reads 1.

STANDARD III.

Better eye.	Worse eye.

Near vision—Reads 0, 8.	Reads 1.

* Temporarily lowered except for the Indian Police to 6/60.

(B) Each eye must have a full field of vision as tested by hand movements.

(C) Squint or any morbid con lition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence, will cause the rejection of the candidate.

(D) Each eye will be examined separately and the lids must be kept wide open during the test.

(E) Inability to distinguish the principal colours will not be regarded as a cause for rejection but the fact will be noted in the proceedings and the candidate will be informed.

(F) The degree of acuteness of vision of all candidates for appointments will be entered in the proceedings in the following manner :—

V. R.= ..... ; with glasses= ..... ; Reads.....

(A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the eye, a layer of liquid being interposed between the lens and the cornea. The meaning of the word " glasses " wherever used above is to be interpreted as not covering contact glasses.)

7. The urine (passed in presence of the Examiner) should be examined and the result recorded.

INDIAN CIVIL SERVICE EXAMINATION, 1941.

Medical Examiner's Report.

The following intimation is made for the guidance of the Medical Examiner :—

No person will be deemed qualified for admission to the Public Service who does not satisfy the Government of India, or the appointing authority, as the case may be, that he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for that service.

It should be understood that the question of fitness involves the future as well as the present, and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension or payments in case of premature death. It is at the same time to be noted that the question is one of the *likelihood* of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service.

(*a*) Candidate's Statement and Declaration.

The candidate must make the Statement required below prior to his physical Examination and must sign the Declaration appended thereto. His attention is specially directed to the warning contained in the Note below.
